

MEMORANDUM

TO: Karakontie (JPN) Syndicate Members

See below the 2020 season summary for Karakontie (JPN).

- Karakontie (JPN)'s advertised stud fee was \$10,000 stands and nurse, same as the 2019 season.
- Karakontie (JPN) bred a total of 88 mares. 34 mares were named on shares and 54 farm contracts were sold.
- Final numbers for the season:
 - 88 mares bred
 - 81 in foal
 - 7 barren
 - 1 slipped
 - Percent In-foal = 93%

The numbers listed above are accurate as of today and are subject to change, not all mares will carry to term.

Karakontie (JPN)'s runners have done well on the track so far. We anticipate an exciting year ahead with his first crop, already boasting two graded stakes winners in Sole Volante and Kenzai Warrior.

Please feel free to contact me with any questions or concerns. We look forward to another successful breeding season in 2021.

Sincerely,

Brian Graves
